P.O. Box 273  
Somerville, NJ 08876

To the staff of the Operation Shoebox,

On behalf of Operation Outreach Afghanistan-Camp Dubs, I would like to thank you for your generous donation.

Operation Outreach is a program that takes donations from care packages sent to Afghanistan and coordinates them into Humanitarian Aid missions. The missions are focused at the children and poor in and around the Kabul Province. Examples of Operation Outreach missions include consolidating medical and dental supplies and distributing to a med clinic, pens and paper to schools, and winter clothing to the poor and homeless. Your donation was part of a recent humanitarian aid mission in the Chahar Asyab District of Afghanistan, and the image on the included certificate is from that day.

Our goal is to ensure all donations sent to our Camp are either used by coalition Soldiers or distributed to the people of Afghanistan. The Soldiers that work in our organization all volunteer their time in addition to their strenuous combat positions.

Thank you again for your generous support,

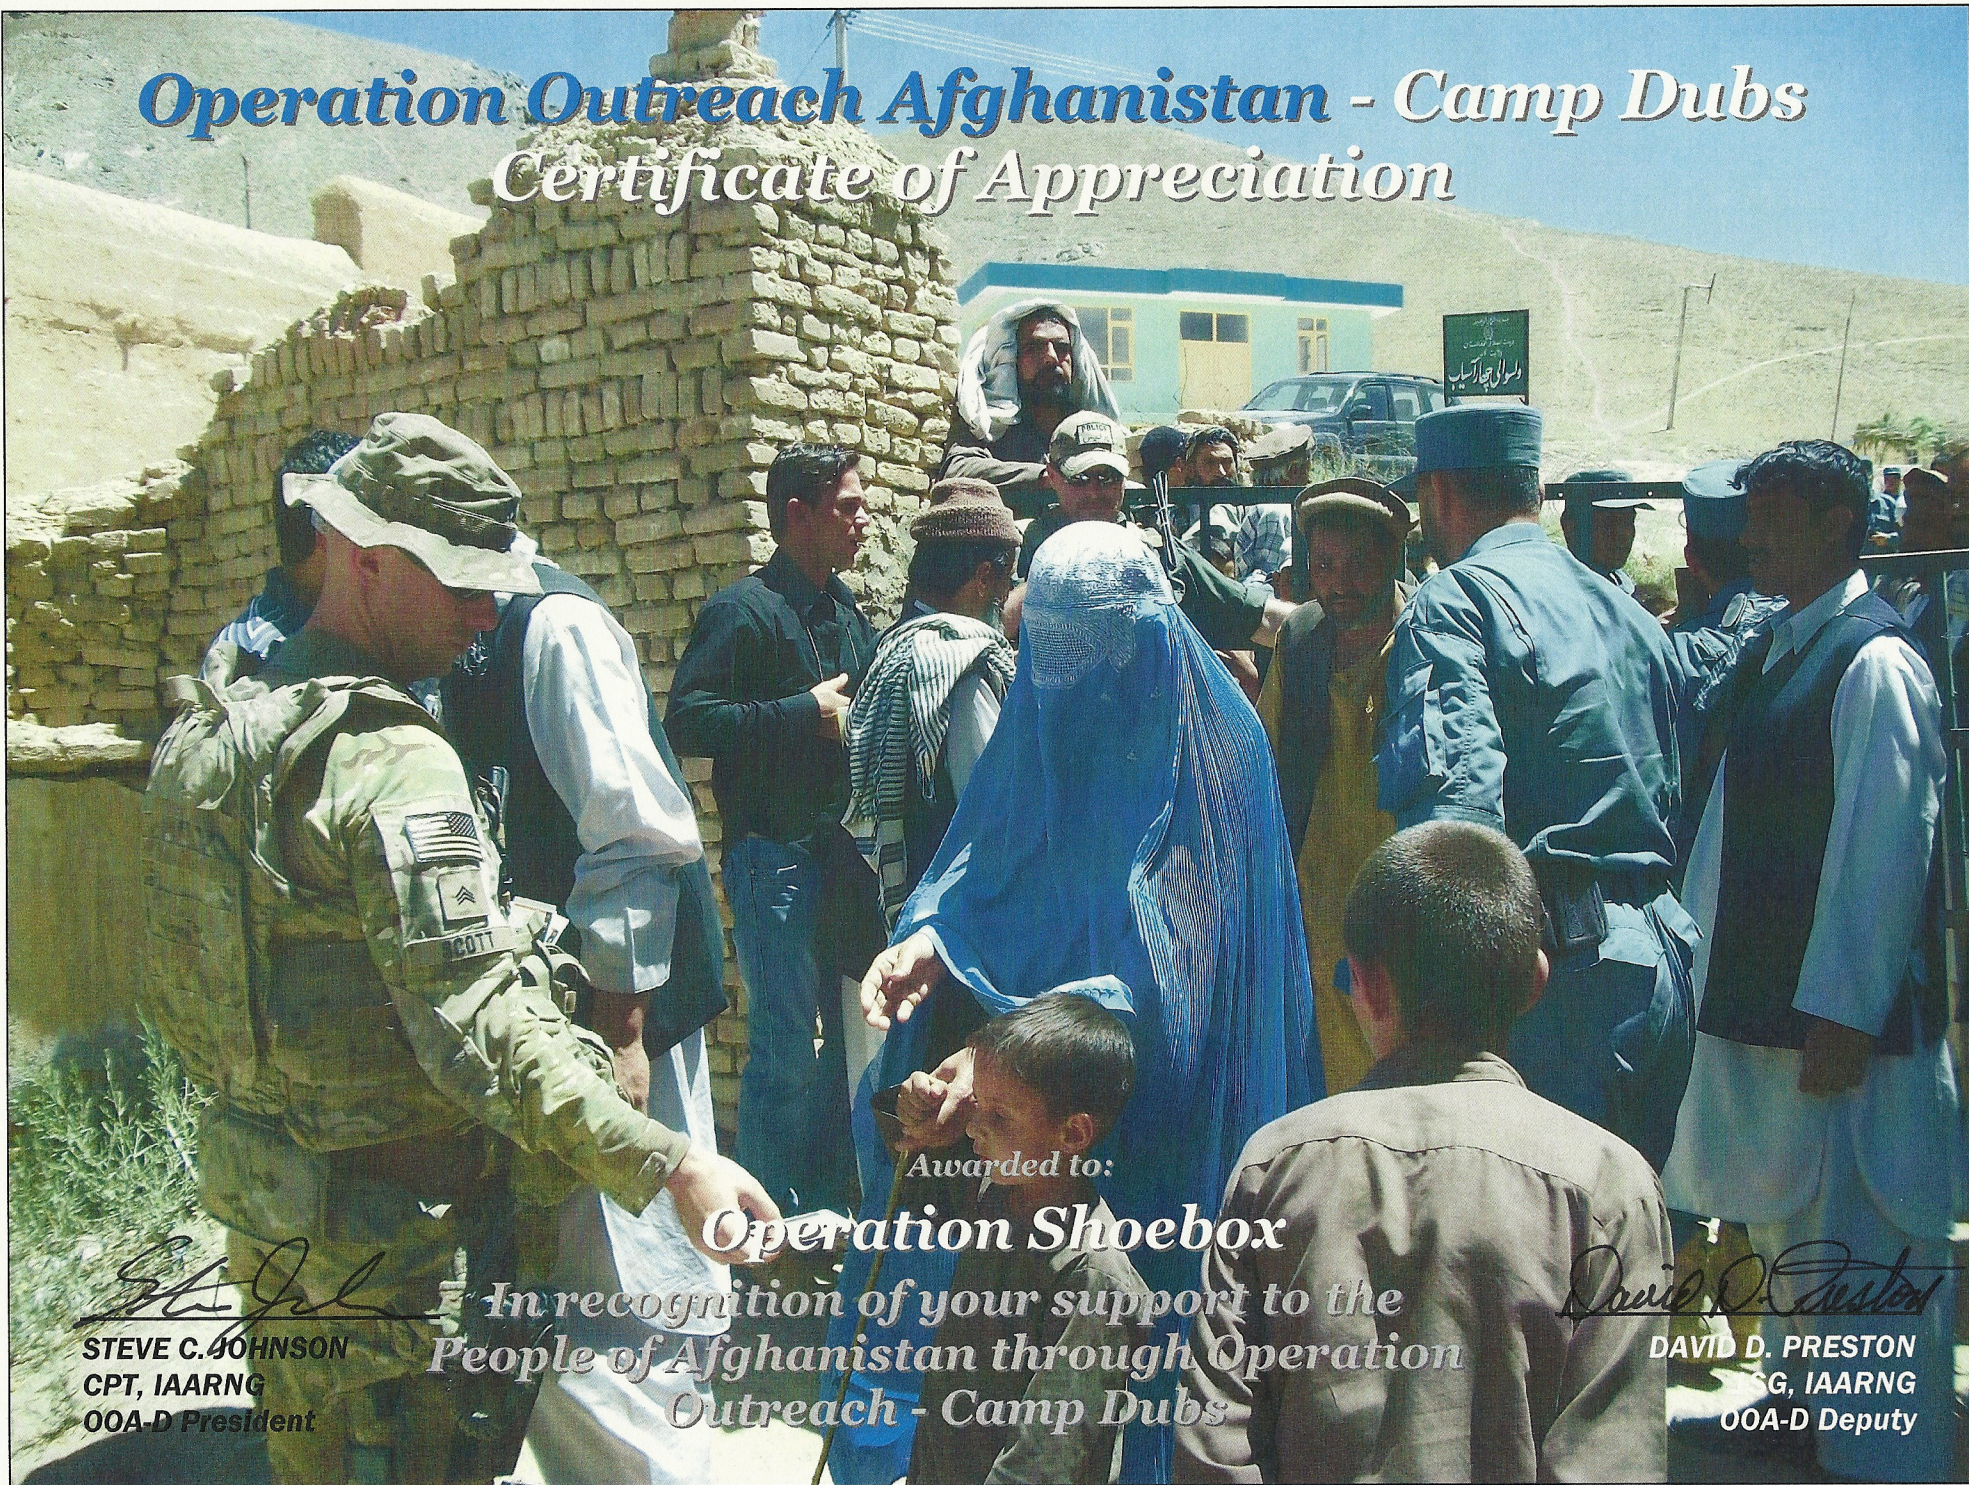

A handwritten signature in black ink, appearing to read "St. Johnson", is written over the printed name.

STEVEN C. JOHNSON
