*Operation Shoebox,*

*Thank you for the packages! I am Michael Puetz and this organization has always been exceedingly generous to both my men and myself. You all have supported us throughout our entire tour in Iraq from 09-10 and now in Afghanistan. We don't even have showers but somehow we have tuna crackers and Girl Scout cookies! Speaking of showers, thank you so much for the baby wipes. If we get Internet here I will try to send pictures to your website. Please send my regards to the schools in Central New Jersey and to the Girl Scout community and to all the volunteers at Operation Shoebox. Thank you all so much for your unwavering support now and in years past.*
