Classification: UNCLASSIFIED

Caveats: FOUO

Good Afternoon,

I am the Garrison Chaplain Assistant here at KAF; I just got in country and will be receiving all the mail and packages sent to the Chapel or the Religious Support Teams. I just wanted to let you know we opened up some packages from Operation Shoebox New Jersey and distributed the goodies through our Chapel Ministry Center. It only takes a day for piles of things to disappear from here!

Any packages you send to the address below I will make sure are distributed. (This address is 'institutional' so it will still be valid after I leave at the end of the year.) Thanks so much for your support! It means a lot to the soldiers, airmen, seamen and marines out here - as well as civilians.
