GREETINGS FROM AFGHANISTAN !!!!!!!

A BIG THANK YOU !!!!

Your thoughtfulness has touched my heart. The Nestles crunch bar was the first thing that I grabbed but before I chow down on it, I want to say "THANK YOU"!!

My office received several boxes and we were like a bunch of little kids at Christmas time.....lots of excitement !! It was a welcomed gift and a chance to break away from the work mode, a very inviting change. It's a good feeling to know that we are being thought of.

We all THANK YOU !!

Peace, Prayers and Blessings,

Smiles and Sunshine,

Now I can eat my candy bar!!!

*Also,
"Heavenly Warriors" cd was
uplifting and greatly appreciated.
Thank you and
may God Bless your work!!*
