Subject: greatly appreciated!!!

Hello, my name is Spc Jenna Stanzione and I am a member of the armed forces serving here in Kandahar Afghanistan. I have been receiving packages from Operation Shoebox New Jersey and finally have gotten a little bit of time to write to you all and tell you how honored I feel to be one of the selected soldiers to receive packages.

I am a door gunner on the Blackhawk helicopter and yeah...it's a sweet job!! I love to fly and I the only female door gunner for my company. I am with C co 4, Blackwidows and every time I receive a package it gets spread out between all of us. We all love to open the boxes and see what kind of goodies are in there.

Everything that you have been sending goes pretty quickly so you're doing a great job with the selection of items.

Where I am and the missions we do sometimes go all day flying around so items that are considered travel or carry on, work best for us. Individual packages of supplies as well rather than bulky because then we can just grab and go and keep it in our pockets. Being a female in an all male unit, I use a lot of single packets of baby wipes for long flights and no bathrooms. Its mainly porta potties around here anyway so purell is a huge necessity.

I do not want to sound greedy but I am jus giving you some ideas of the items soldiers can use while on the go that don't take up to much space in their pockets or weigh them down.

I greatly appreciate everything you are doing and give yourselves a pat on the back for all of the hard work and dedication you are doing. You are serving us as we are you.

Thanks again,  
Sincerely,  
Co 4, Blackwidows.....
