

XOXOXO

Operation Shoe Box :

Thank you so much for all the packages. Our teamed loved everything.

The white socks in my box were perfect. I had no white socks left and your donation came at the perfect time for me.

Continue to send the soldiers care package it is like Christmas and we act like a bunch of little kids when opening them up! We all share with those who don't

receive. I wanted to send you this note to let you know how much we appreciate what you do for all of us. We aren't forgotten and that really means more than you could ever imagine.

Sincerely,

Carol Munoz

My card is from Erica and I will come home safely. xoxox
