Subject: Thanks

Jane we received one of your boxes from Emily Brown from Piscataway NJ today. Please pass on to Emily that we very much appreciate the items that were sent. I am stationed here at Kandahar Air Base with the South Carolina Air National Guard, we will be here until late August. I can't not speak for all the troops but I do now that the items you have sent are appreciated and the troops really respect these young kids and their efforts to support us while we are deployed.

Again Thanks,
